[FORGOT YOUR PASSWORD?](#)[PTBA BLOG](#)[FAQ](#)**FOUNDING MEMBERS:****Founding Members of the PTBA**

Founding Blogger membership was open to those that have been travel blogging for more than one (1) year, have a self-hosted site, and had more than five-thousand pageviews (5,000) in the preceeding 30 days of joining. Founding Members each paid \$150, which represented their Founding Member's fee and also served as their first year's dues to the association.

Founding Members will be listed on this page on the website and be able to display a different badge on their website (if they so wish), indicating their Founding Member status. Founding Membership is a sign that the travel blogger was part of the association from the very beginning and also an indication that they made a slightly greater financial contribution to get the association off to a good start.

Founding Membership confers no additional rights or privileges. Founding members do not have any additional voting rights or other heightened status – they are just members of the association, the same as any other blogging member.

That being said, we created this page to thank them for their contributions to getting this project off the ground. So, thank you, very much:
