This blog is a blank canvas through which I will continue to share the explorations of a curious mind. The future of the internet, the social impact of technology on the real world, the future of web technology, travel tips and stories, political analysis and inquiry, as well as ballroom and salsa dancing are all topics that are, have, and will continue to be covered.

Polar Bear Kisses – Weekly Travel Photo

Growing up there were three bears. Brown Bear, which was your typical mid-sized teddy bear. Cinnamon Bear, which was on the small side and then White Bear. Given how original I was in naming...
